FIG. 3C

This diagram shows a cross-sectional view of a complex cylindrical assembly. The central part consists of a vertical tube with a cross-hatched pattern, labeled 230, which is surrounded by a layer labeled 200. This central assembly is housed within a larger cylindrical structure. On the left side, a vertical dimension line labeled L_0 indicates a specific height. Various components are labeled with numbers: 160, 150, 140, 116, 110, 300, 100, 230, 200, 350, 231, 112, 113, 410, 430, 400, 115, 114, 123, 121, 240, 170, 241, 233, 125, 120, 243, 133, 131, 130, and 135. A bracket on the right side groups the components 410 and 430 under the label 400. The bottom of the assembly features a flange-like structure with a central opening, labeled 130 and 135.
